

Rope Protectors

45cm | 90cm | Blue | Grey | Black

PVC sheath to protect rope from abrasion on sharp edges. This extends the lifetime of the rope and ensures the rope can keep users safe. Suitable for one or two ropes per sheath.

Features

- 1 550g PVC outer layer for abrasion resistance
- 2 Webbing strap to secure the rope protector in position on the rope
- 3 Velcro closure along the length of the sheath makes it easy to attach sheath to rope
- 4 600D nylon inner layer in direct contact with rope
- 5 Available in three colours and two lengths
